

Broken Appointment Policy

When a dental appointment is made in our office, a specific time is reserved for you to see our dentist or hygienist.

As a courtesy, we will attempt to reach you to confirm your appointment through text, email and phone call.

If your appointment does need to be cancelled or rescheduled, we kindly ask that you provide our office with a 24 hour notice to avoid a broken appointment fee.

However, we understand that emergencies can occur and we are committed to help you keep an appointment time that works for you.

We value you as a patient and strive to provide the best quality care to you and your family.
